

Sussex Road Community Primary School Minutes of the Meeting of the Governing Body held on 13 September 2016 at 6.30pm at the School

	Present:	David Wake(Chair) Sarah Bowles (SB) (Headteacher)			
	Andrew Chesworth (AC)				
	Alison D'Alton (ADA) (SBM)				
	Nicola Furlonger (NF) (Vice Chair) Vanessa Lines (VL) Sara Phelps (SP)				
		Nigel Rawlings (NR)			
		Louisa Rowlands (LR)			
		Carla Thompson (CT)			
		Michael Webber (MW)			
	In attendance	Lesley Hardwick (Clerk)	Action		
1.	APOLOGIES FO	R ABSENCE			
	Apologies for absence from Des O'Dwyer and Amanda Sermon (both work commitments) were received and accepted				
2.	ELECTION OF VICE CHAIR The Clerk reported that one self nomination had been received for this position, from Nicola Furlonger (NF), who left the meeting whilst Governors discussed her appointment. The Chair praised NF's contribution in her role as Vice Chair over the past year and Governors unanimously agreed that she should be re-elected to this position for the current academic year.				
	NF returned to the	e meeting and the Chair congratulated her on her re-election.			
3.	Governors signed new Business Interest Forms for the coming year.				
	No declarations of interest were received in respect of any item on the Agenda.				
4.	MINUTES OF LA	ST MEETING AND MATTERS ARISING			
	Minutes of FGB meeting held on 13 July 2016 The minutes of the meeting held on 13 July 2016 were approved as an accurate record and signed by the Chair.				
	Action Points				
		red progress against outstanding actions:			
	shortly to input into meeting.	ce Working Group – The Chair advised that this group would meet discuss the GB's structure and Development Plan, and to provide the draft Strategic Plan (SIP) and report back to the October FGB. He commented that the revised Ofsted Inspection Framework further pectations in respect of Governor involvement in the leadership of a	LH/DW		
	 Outdoor S being sould Data Train should be next mee 	space Working Group – The Chair reported that additional quotes were ght for the 'sail' installations in the playground. Sing – It was agreed that a separate training session on school data a arranged for all governors, potentially in conjunction with the ting of the Data Working Group. The HT confirmed that she had	SB		
	received 'I	Making Figures Speak' data from KCC for EYFS, together with data for			

KS1 and KS2 which included County and National average figures. She confirmed that she would provide more details about this data under Any Other Rusiness

 <u>Subject Leader Reports</u> – The Chair advised that he had been sent copies of draft subject leader reports and that the final version of these reports would be circulated to Governors in advance of the next FGB meeting.

SB/DW

DW

Health and Safety Monitoring Report – The Chair confirmed that he would carry
out another visit at the beginning of Term 1. It was confirmed that the
appointment of a new Health & Safety Governor would take place as part of the
discussion on the Terms of Reference.

It was confirmed that all other actions had either been completed or were dealt with elsewhere on the agenda.

Other Matters Arising

• Replacement Water Supply – A Governor asked whether the work to improve the water supply to the Millennium block and kitchen had taken place over the Summer. The SBM reported that the work had not gone to tender in time for it to be completed during the Summer break, and that tenders were now due back on 22/9/16. However she advised that KCC had confirmed that it would cover the cost of the work, and that her most recent communications with the County indicated that this issue had now been recognised as a potential health and safety risk. She confirmed that a temporary link between the mains supply and Boiler Room would be installed on 14/9/16 and that this should improve the water pressure until permanent works were completed. The Chair commented that he had had numerous conversations with KCC over the Summer to try to resolve this issue.

There were no other matters arising from the minutes.

5. GOVERNOR APPOINTMENT

The Chair reminded Governors that there was currently one Co-opted vacancy on the GB following David Widdicombe's resignation, and that it had been proposed at the last meeting that Parent Governor Sara Phelps (SP) could be appointed to this vacancy. SP confirmed her agreement to this proposal. Governors commented on the contribution that SP had made as Safeguarding and as Training & Development Governor and agreed that she should be appointed to the Co-opted Governor vacancy with immediate effect.

It was confirmed that an election for the resultant Parent Governor vacancy would be held towards the end of Term 1. The Clerk agreed to bring an updated Skills Audit to the GB's next meeting, to enable Governors to review the current skills base before the start of the formal election process.

6. REVIEW OF TERMS OF REFERENCE/MONITORING ARRANGEMENTS FOR 2016-17
Governors reviewed the previously approved Terms of Reference:

Membership of the GB and 'statutory' Governor responsibilities

- <u>Vice Chair</u> The Clerk confirmed that she would re-instate NF as Vice Chair in the ToRs following her re-election to that role.
- Health & Safety Governor The Chair commented that this role ideally required some availability during the school day. MW and LR agreed to join DD as the nominated Health & Safety Governors
- SEN Governor CT volunteered to take on this role, in partnership with the Chair
- Safeguarding/Child Protection Governor It was agreed that CT should join MW and SP as nominated Safeguarding/Child Protection Governors.
- Training & Development Governor SP agreed to continue in this role, but

suggested that it would be helpful to be able to share the responsibility with another Governor, as this was a role that could be significantly expanded further, particularly with regard to GB Development. *The Chair asked Governors to contact him or the Clerk if they were interested in sharing this role with SP.*

ΑII

Membership of Pay Committee

The members of the Pay Committee were confirmed as David Wake, Nicola Furlonger and Andrew Chesworth.

Monitoring Responsibilities

The Chair pointed out that the focus of Governor's monitoring for the year would be determined as part of the development of the Strategic Plan. However, it was confirmed that the priorities would still be based on the Ofsted inspection areas. **The following monitoring responsibilities were confirmed:**

monitoring responsibilities were confirmed:					
Effectiveness of Leadership &	David Wake, Nicola Furlonger				
Management					
Quality of Teaching, Learning &	Alison D'Alton, Vanessa Lines				
Assessment					
Personal Development, Behaviour &	Des O'Dwyer, Vanessa Lines				
Welfare					
Outcomes for children & other learners	David Wake, Sara Phelps, Amanda				
	Sermon				
Budget Monitoring	Nicola Furlonger, Michael Webber,				
	Andrew Chesworth, Nigel Rawlings				
Pupil Premium	Nicola Furlonger, Amanda Sermon				
Community/Collaboration	Des O'Dwyer				
EYFS	Nicola Furlonger, Amanda Sermon				
Data Group	David Wake, Nicola Furlonger, Amanda				
	Sermon, Sara Phelps, Andrew Chesworth				

The Chair asked new Governors to contact him if they were interested in taking on any further monitoring responsibilities.

LH

Headteacher's Appraisal Group

Governors discussed whether membership of this Group should be increased but concluded that the current membership (David Wake, Nicola Furlonger and an External Advisor) remained appropriate.

Election of Chair and Vice Chair

The Clerk reminded Governors that, on advice from KCC at the time that the current Chair was appointed, the elections of the Chair and Vice Chair were currently staggered during the academic year. To rectify this and allow for the previous election cycle to be reinstated, she proposed amending the Standing Order governing the election of the Chair and Vice Chair to include the following provision:

"Elections will normally take place at the first FGB meeting of each year. If a Chair or Vice Chair is elected during that year, new elections will be held at the beginning of the subsequent academic year."

This amendment was approved. It was agreed that the election of a Chair for 2016/7 would take place in January 2017 (ie one year after the previous election), and that a further election would be held in September 2017 for the 2017-18 academic year.

The Clerk confirmed that she would update the Terms of Reference with the agreed amendment

7. GOVERNORS' CODE OF PRACTICE

The Clerk advised that the Government had now introduced a new National Governor

Database, which would be held on Edubase and that this would involve the publication of additional information to that already published on school websites (date of birth, nationality, former names and home postcodes (although the latter would not be publically available)). She therefore suggested amending the Code of Conduct to include the following provision:

"We accept that in the interests of open government, our names, terms of office, roles on the governing body, category of governor and the body responsible for appointing us will be published on the school's website and that this information, together with our dates of birth, nationality, any former names and home postcodes will be provided for the National Governors Database"

This proposal was agreed. The Clerk confirmed that she would contact Governors if she needed any additional information from them to complete the spreadsheet required for Edubase and that she would circulate an amended Code of Practice by email for Governors to sign and return to school before the next FGB meeting.

LH

8. ANY OTHER URGENT BUSINESS

School Data

The HT circulated copies of the new School Summary Sheet, and reported on its contents:

- KS1 data The HT advised that the published data for KS1 was inaccurate and
 was to be updated, but she confirmed that, on the basis of the School's own data,
 the Year 2 cohort had exceeded the national average (NA) in respect of the
 percentage meeting Age Related Expectations in Reading, Writing and Maths,
 and had also exceeded NA for the percentage of students working at greater
 depth in Writing and Maths (being 0.5% below the national average in Reading).
- KS2 data The HT advised that the KS2 results had been extremely inconsistent across the County. She also advised that the results for Writing should be 2% higher than published, at 80%. The Summary Sheet confirmed that the NA Combined Score was 53%, and that Sussex Road's Combined Score was 57%. The HT pointed out that although this was above the NA, it was below the Attainment Floor Standard of 65%, which had been set in July 2015. The HT reported that the Progress measures for KS2 had now been published and that all schools had been given a score of between +8 and -8 for Reading, Writing and Maths. The Progress Floor standard had been set at -4. The HT advised that the Progress scores for Sussex Road were:
 - Reading: -0.5Writing: -0.5Maths: 1.9
- Phonics The HT advised that, on the basis of the Year 1 Phonics results (92% reaching the required standard), the School had been asked to work with Independent schools to help them improve their Phonics results. In response to a question, she advised that the School would receive funding from KCC to cover the cost of staff cover, but she remarked that this would need to be carefully managed to make sure there was no detrimental impact for Sussex Road, particularly as the current Year 1 cohort was unlikely to achieve such a high score in 2017.

The HT advised that the School Improvement Advisor had already visited the School and had been very positive about the children's behaviour and the atmosphere around the School.

The HT commented that the GPS (SPAG) results indicated that Spelling would need to be a particular area of focus, and added that the results at KS2 for the less able children, and for Maths overall had been disappointing. She remarked that information from local schools that had performed the best against the new KS2 tests suggested that those who

had taught for the tests (for example spending more time on practice papers) had been the most successful.

Middle Leadership arrangements

The HT advised that, following resignations at the end of 2015/16, and the non-return of the former KS1 leader from Maternity Leave, all the existing middle leadership posts were vacant. She advised that this would inevitably be a concern for Ofsted, and that it could foreseeably result in an RI grade for Leadership and Management in the event of an Inspection. The HT confirmed that the current middle leadership structure had been a KS1 and KS2 leader, who also had Maths and English Leader responsibilities, at an additional salary cost of £8000. She advised that she intended to split the middle leadership responsibilities, to create five separate posts, which would create additional leadership capacity, provide key staff with leadership experience and, hopefully, aid retention:

- Year 1/2 Leader
- Year 3/4 Leader
- Year 5/6 Leader
- Maths Leader
- English Leader

The HT confirmed that she had consulted with staff on this proposal and that she believed that it would be possible to fill all the posts except the Year 1/2 Leader by the end of Term 1. She advised that she believed that there were several staff who had the potential to take on the Year 1/2 Leader role in due course, but that these were new staff to the school who needed further development.

In response to a question, the HT confirmed that she estimated that each Leader would receive a salary enhancement of £2000. She added that each of the Leaders would need to be allocated non-contact leadership time, but that she intended to reduce this from half a day a week to half a day a fortnight.

A Governor questioned the timescale for these appointments. The HT confirmed that all posts except the Year 1/2 Leader would be advertised internally be the 16 September and filled by the end of Term 1, and that the Year 1/2 Leader post would be filled by the end of the Year.

A Governor asked why the HT had not made these changes and filled the positions in time for the start of the new academic year. The HT explained that she had wanted to wait until the four new teachers were in post, as she believed that three of the four had clear leadership potential, and she had wished to recruit from a stronger 'pool'. In response to a further question she confirmed that the new KS1 teachers were already taking part in relevant Working Groups.

Governors approved these proposals, including the additional budgetary provision for enhanced salary payments.

Year 2: behavioural issues

In response to a question, the HT provided an update on one child in Year 2, who was waiting for a place to become available at a Special School.

Governor Training

The Training & Development Governor circulated details of the forthcoming KCC Governor training courses which were most relevant for Governors who were taking on new monitoring responsibilities, and urged them to book a place and report back to the GB once they had completed the training. She also reminded Governors that District Governor Briefings were taking place shortly and suggested that there should be some representation from Sussex Road at these meetings.
