

Sussex Road CP School Freedom of Information Policy and Publication Scheme

Introduction

The Freedom of Information Act 2000 (FOIA) was introduced to promote greater openness and accountability across the public sector and requires all maintained schools to be clear and proactive about the information they will make public.

As a result, the school has produced a publication scheme, setting out:

- The classes of information which we publish or intend to publish
- The manner in which the information will be published
- Whether the information is available free of charge or on payment

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form, some is available electronically on our website for you to download and print.

Some information which we hold may not be made public, for example, personal information. This publication scheme conforms to the model scheme for schools approved by the Information Commissioner's Office (ICO).

The Aims of the Policy

The school aims to enable every child to fulfil their learning potential, providing an education that meets the needs of each child. We also seek to help every child develop the skills, knowledge and personal qualities needed for life and work. This publication scheme is a means of showing how we are pursuing these aims.

Pupils, as data subjects, have certain rights under the Data Protection legislation (GDPR) including a general right of access to personal data held on them. Their parents exercise this right on their behalf if they are too young (under 12) to do so themselves. This policy is not however intended to be used for requests to access personal information held by the school or by the Department of Education.

For access to personal data held by the School, please refer to the school's GDPR and SEN Policies.

For access to personal data which DfE holds about your child, please contact the Department:

Withholding Information

The FOI Act contains 23 exemptions whereby information can be withheld. We will only withhold information if it falls within the scope of one or more of these exemptions. Complete files or documents will not be withheld just because part of the information is covered by an exemption.

An exemption will only be applied where we have reason to believe that prejudice might occur to the interest protected by the exemption. In addition, wherever a “public interest” exemption is being considered, we will only withhold that information which it can demonstrate that the public interest will be best served by withholding. When considering withholding information under a non-absolute exemption we will take into account whether the release of the information would:

- promote further understanding of current issues of public debate
- promote the accountability of decisions taken by us and the spending and allocation of public money
- bring to light matters of public safety
- allows the public to understand and challenge decisions made by us
- be otherwise in the public interest

There information is withheld under an exemption in most cases the reason behind the decision will be made clear to the applicant, citing the exemption under which the information is being withheld.

The school is exempt from providing requested information where:-

- it would cost too much (over £450) or take too long (over 18 hours) to deal with the request
- the request is vexatious
- the request repeats a previous request from the same person/family/group for the same information

Paying for Information

Information published on our website is free, although you may incur costs from your internet service provider. If you do not have internet access, you can access our website using either a local library or an internet café.

Single copies of information covered by this publication are provided free unless stated otherwise. If the Publication Scheme request or FOI request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos, we will let you know the cost before fulfilling your request. Payment will be required prior to provision of the information.

How to Request Information

If you require a paper version of any of the documents within the scheme, the request must be made in writing by email or letter giving clear details of the information requested. Embedded links and attached forms provided by the enquirer will not be opened or used to provide information's in accordance with School's ICT security policy based on guidance from the local authority.
