Website Accessibility Statement

We are committed to making our website accessible to everyone, regardless of ability. This statement outlines the accessibility features of our website and details any known limitations, in accordance with the **Web Content Accessibility Guidelines** (WCAG) 2.1 AA standard.

Conformance Level:

We strive to achieve Level AA conformance with WCAG 2.1 guidelines, meaning most users with disabilities should be able to access and interact with our website effectively.

Features for Accessibility:

[Semantic HTML:](#) We use proper HTML headings and structural elements to enhance screen reader navigation.

[Colour Contrast:](#) Our colour scheme adheres to WCAG guidelines for sufficient contrast to ensure readability for users with visual impairments.

[Adjustable Font Sizes:](#) Users can adjust text size using browser settings to suit their needs.

[Clear Language:](#) We use plain language and avoid jargon to improve comprehension.

Known Limitations:

[Third-Party Content:](#)

Some embedded content from third-party platforms may not fully comply with accessibility standards. We are working to identify and where possible address these limitations.

[Older Content:](#)

Some older content on our website may not fully adhere to current accessibility standards. We are actively updating content to improve accessibility.

Feedback and Reporting Issues:

If you encounter any accessibility barriers on our website, or if you have any questions about our accessibility practices, please contact us at schooloffice@sussex-road.kent.sch.uk.

We will work diligently to address any accessibility concerns promptly.

Review and Updates:

We regularly review and update our accessibility practices to ensure ongoing compliance with WCAG guidelines. This statement was last reviewed on 08/07/2025

Note: This accessibility statement is intended to provide a transparent overview of our website's accessibility features and limitations. We are committed to continuous improvement and welcome feedback to enhance the user experience for all visitors.
