

Minutes for the PLT on Monday, 13th October 2025

Toilets: Mrs Hudson will ask Mrs. Miles and Mrs. D'Alton about mirrors in the toilets.

We discussed having a gentle reminder of how to use the toilets respectfully.

OPAL:

Mrs. Hudson has asked Mrs. Birkett and Mrs. Wood if there could be bigger wellies in the digging area.

There has been a request for a larger digging area, but we are struggling for space. Could people please be mindful of where they are throwing the soil that they have dug out and be careful where the spades are left.

Tidying up- Many hands make light work. If we all help tidy up, then we will have longer to play. It has noticed that some people disappear inside (into the toilets and the Space); pretend that they are tidying up or gather to go in.

Project for PLT: Inter- house competition

AOB: (Any other business)-what would you like to discuss? Please write your thoughts here.

Date and time of next meeting: Wednesday, 5th November 2025

Leadership Actions:

- Mrs Miles has asked Mr Asanaka to source and install some mirrors in the toilets;
- A request for larger wellies has gone out in the Newsletter;
- A larger digging area is challenging to provide due to nature of the school site; it is also important for the school to be mindful of the impact digging has on the natural habitats and tree roots.
