

March 2026

Dear Parents

Year 3 children have a fantastic opportunity to take part in a partnership program with a primary school in Tonbridge's twinned town Puy-en-Velay in France. This will support our geography learning where we will be describing and comparing the physical and human similarities and differences between Tonbridge and Puy-en-Velay. Throughout term 5, we will communicate via email, asking and answering questions about our towns. We will send photographs and take part in a video conference towards the end of the term so they will have the chance to meet and ask any remaining questions they may have. It will also give the children the opportunity to practice their French and even sing a song in French during the call. All communication will be sent across by the teachers.

In order to link with the other schools, we require parental permission. Please find enclosed a FORMS link for you to [click on](#) and complete by **8.30am on 20th April 2026**. If you experience any problems, please contact the school office on 01732 352367 or email schooloffice@sussex-road.kent.sch.uk who will assist.

[Sussex Road Primary School - Year 3 School Partnership Programme 2026 – Fill out form](#)

We look forward to sharing our learning from the linking work through the year. If you have any questions, please get in touch with us.

Thank you for your continued support,

Miss Wolton and Mrs Salter
Year 3 Teachers
