

Year 2 Term 5

How much do we have in common with others?
ART & DESIGN

National Curriculum Links:

Develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.

Learn about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.

Essential Prior Learning:

Different shapes can be used to make repeated patterns. 2D shapes can be used to make repeated patterns on paper.

When you combine primary colours, they create secondary colours:

- red + blue = purple
- blue + yellow = green
- yellow + red = orange

Progression in Skill:

Express clear preferences and dislikes, giving reasons for these when looking at art work.

Look at examples of Art using a variety of practices and disciplines that have the same subject matter. Identify the similarities and differences.

Create and use printing blocks using relief method.

Layer using two different colours and shapes.

Use motifs and colour to create repeating patterns.

Long-term Memory Knowledge:

Know who Hokusai is and discuss their likes or dislikes about his artwork.

Identify some similarities and differences between Hokusai's work.

Demonstrate how to make a relief print, layering colours and shapes.

Create repeating patterns with motifs.

Key Vocabulary

block print	making marks/a pattern in a material, covering in paint and stamping them onto a piece of material.
printing blocks	piece of material to make marks into/onto
relief method	using tools to cut away areas from a block so they are not printed
raised level	a surface above another surface.
layer	adding several materials on top of each other
motifs	repeating the same pattern in a piece of art work
repeating pattern	patterns, shapes or lines happening again and again
pressure	pressing down on something.
The Great Wave	a piece of art created by Hokusai using a printing technique

Progression in Resources:

Polystyrene boards
blunt pencils
paint rollers
printing ink/acrylic paint

Relevance

Now	Children continue to develop their understanding of different styles of art and artists, seeing that art is not just drawing or painting an exact likeness of someone/something.
Future	Children have an appreciation for a range of art forms, being able to discuss their likes and dislikes; they can use their knowledge of printing to create cards, wrapping paper, fabric, etc. for their own personal use.
Aspiration	Children may choose to become a career in design, applying knowledge of repeated patterns to create different fabrics, wallpaper, wrapping paper, notebooks, etc.
