Attendance Policy

Sussex Road Primary School

Approved by:	FGB	**Date:**	September 2026
Next review due:	September 2027		

"Good attendance begins with school being somewhere pupils want to be and therefore the foundation of securing good attendance is that school is a calm, orderly, safe, and supportive environment where all pupils are keen and ready to learn." DFE, 2024

At Sussex Road Primary School, we believe that attending school every day is pivotal to children making good progress socially, emotionally and academically. We work hard to create an environment in which children love to learn and build strong relationships with their peers. When a child is absent from school, it impacts their development and also that of their classmates. In order for all pupils to have the best start to the day, arrival to school by 8:50am is essential so they begin the day, settled with their peers and do not miss out on any learning.

Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024) and school attendance parental responsibility measures. The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the Education Act 1996
- Part 3 of the Education Act 2002
- Part 7 of the Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, and 2016 amendments)

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends school every day on time

Pupils

Pupils are expected to:

Authorised and unauthorised absence

Approval for term-time absence

The Headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the 2024 school attendance regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Headteacher's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is highly unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted in writing as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form, accessible via The Headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under section 7 of the Education Act 1996
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

Strategies for promoting attendance

All staff promote an ethos of regular school attendance. Staff ensure children understand the positive impact this has on their wellbeing and learning. Class teachers and senior leaders ensure parents understand the impact of irregular and low attendance. Supporting pupils who are absent or returning to school

Pupils absent due to complex barriers to attendance
Class teachers and senior leaders will ensure that pupils have a personalised approach to reducing absence and a pupil's return to school. The school recognises that every pupil's circumstances are unique; the school will work with the family and external agencies (when appropriate) to achieve this.

Pupils absent due to mental or physical ill health or SEND
Class teachers and senior leaders will ensure that pupils have a personalised approach to reducing absence and a pupil's return to school. The school recognises that every pupil's circumstances are unique; the school will work with the family and external agencies (when appropriate) to achieve this.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

Pupils returning to school after a lengthy or unavoidable period of absence
Class teachers and senior leaders will ensure that pupils have a personalised approach to reducing absence and a pupil's return to school. The school recognises that every pupil's circumstances are unique; the school will work with the family and external agencies (when appropriate) to achieve this.

Attendance monitoring

Senior leaders monitor attendance and punctuality on a weekly basis, using data produced by Arbor.

Monitoring attendance
The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.
Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the governing board.

Analysing attendance
The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends

- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section 8.4 below)
- Provide regular attendance reports to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Invite parents into school when monitoring indicates a pupil's attendance is at risk; senior leaders aim to support families in improving attendance as soon as possible
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
    - Discuss attendance and engagement at school
    - Listen, and understand barriers to attendance
    - Explain the help that is available
    - Explain the potential consequences of, and sanctions for, persistent and severe absence
    - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the Headteacher. At every review, the policy will be approved by the full governing board.
