Dear Parents

Year 5 Residential – April 2023

We are very excited to have booked our Year 5 residential for next year at Bewl Water. This two-night stay offers children the opportunity to experience the world away from their families in an environment they are already familiar with, developing their confidence and self-esteem.

We have worked with the staff at Bewl Water to develop a progressive programme that allows the children to build upon the experiences they have had at the centre this year.

The residential will take place during the **week beginning Monday 24th April**, with one class going for the first two nights and the other at the end of the week. On the Wednesday, there will be the opportunity for all the children to share a picnic together.

Bewl Water have yet to release their prices for 2023 but they anticipate an increase of up to 10% on this year's, which was £169.

Previously, we have used a coach to transport the children to and from the centre but the cost has risen significantly this year and will add a further £18.25 to the amount payable per child. If enough parents are willing to drive or arrange for their child to be driven to and from Bewl, it would reduce the cost for each family.

Please could I ask you to complete the attached electronic form by **THURSDAY 21ST JULY** with your answer regarding transport for your child at the times shown below:
