

March 2024

Dear Parents

Year 3 children have a fantastic opportunity to take part in a partnership program with a primary school in Tonbridge's twinned town Puy-en-Velay in France. This will support our geography learning where we will be describing and comparing the physical and human similarities and differences between Tonbridge and Puy-en-Velay. Throughout term 5, our two classes will email one another to ask and answer questions about our towns. We will also send photographs, mini videos, annotated drawings and field-sketches. All the work will be sent across by the teachers. Towards the end of the term, we are planning for the children to take part in a video conference so they will have the chance to meet and ask any remaining questions they may have. It will also give the children the opportunity to practice their French.

In order to link with the other schools, we require parental permission. Please find enclosed a FORMS link for you to [click on](#) and complete by **3.30pm Thursday 28<sup>th</sup> March**. If you experience any problems please contact the school office on 01732 352367 or email [schooloffice@sussex-road.kent.sch.uk](mailto:schooloffice@sussex-road.kent.sch.uk) who will assist.

We look forward to sharing our learning from the linking work through the year. If you have any questions please get in touch with us.

Thank you for your continued support,

Miss Wolton and Mrs Salter  
Year 3 Teachers
