

June 2024

Dear Parents

Year 4 Bewl Water Outdoors Adventurous Activities Day

Friday 5th July 2024

In response to the positive feedback we received, regarding an outdoor adventurous activities day for Year 4 at Bewl Water, we have confirmed our booking for Friday 5th July.

The instructors are putting together a programme that gives the children the opportunity to challenge themselves as individuals and as part of a team and will include activities on the water as well as on land. There is no expectation that the children are confident swimmers in order to participate in canoeing. Buoyancy aids are provided and the instructors at Bewl Water are skilled in enabling all children to take part at a level that suits them.

Bewl Water have asked us to collect some relevant information before the visit, so we ask the following Forms survey is completed by **Friday 21st June** so that we have time to collate everything: <https://forms.office.com/e/bsLNsaRCip>

In the same survey, we also ask you to inform us as to whether you are able to provide/arrange transport to and from Bewl Water for your child and whether you are able to offer support with this to others. We have found this system has worked well with our Year 5 residential over the past couple of years, keeping costs down, rather than paying for a full day's use of a coach for what is a, relatively, short journey. Children need to arrive at Bewl Water in time for a 9.30am start and be collected at 4.30pm.

Bewl Water charges £39.00 per child but, as stated in the initial survey, the school will part fund the trip so we are asking for a parent contribution of **£25.00** per child. Payments can be made through Arbor – TRIPS - Year 4 Bewl Water Activity Day from today. If you have any questions regarding payment, please contact the school office in the first instance.

Thank you for your continued support,

Mrs Pullin
Curriculum Lead
